NEWS RELEASE

Spray Park Celebrates Grand Opening May 14

The Town of Kindersley and Synergy Credit Union are pleased to announce the official grand opening of Kindersley's spray park on Thursday, May 14, 2015, at 12 pm.

Representatives of Synergy and the Town will be in attendance to formally unveil the spray pad and its new name. Synergy Credit Union donated \$100,000 toward construction of the spray park, which was completed in Baker Park in September 2014. It was put into operation for a few weeks before being winterized.

"On those hot summer days, the new spray park will be a great way for kids, families and everyone to enjoy and to cool off," said Barbara Derbawka, Branch Manager at Kindersley Credit Union. "We are excited to be part of such a great aspect of the downtown core and Baker Park."

"The Town of Kindersley very much appreciates Synergy's ongoing community support, and particularly the significant contribution that has been made toward this spray park, which will be enjoyed for years to come by families and children of all ages," says Mayor John Enns-Wind.

Synergy's sponsorship of the spray park also includes the purchase of four new park benches that will be situated around the perimeter of the spray pad concrete. Students at the Kindersley Composite School will build the benches for the spray park.

All are welcome to attend the official grand opening on May 14.
