NEWS RELEASE

Skateboard Park No Longer in Use

Well-used skateboard park equipment has been determined to be past its prime and unsafe and will not be installed this summer.

The equipment was first constructed and installed in Kindersley 12 years ago through a resident-led campaign that included youth input raised support to have the Sk8Park and build the equipment.

The park itself was set up in several locations over the years – most recently adjacent to McGowan Park – and it provided an area for skateboarders of all ages to hone their skills and have a place to gather.

Sk8Park Committee members have been contacted by the Town and the equipment has since been disposed of.

Residents interested in re-establishing a skateboard park with new equipment are welcome to contact the Town of Kindersley for more information.
