NEWS RELEASE

Enhanced Safety for Motorists on Railway

New traffic stop signs have been added along Railway Avenue as a measure to enhance public safety at the intersection of 1st Avenue West.

The signs were installed today and impact motorists traveling both east and west bound.

The decision to install the signs was made in conjunction with feedback from local business owners who raised concerns about the safety of the area.

Council will soon be reviewing a number of recommendations identified in Kindersley's recent Traffic Study that will form part of the budget planning process for 2015 as well as the long-term infrastructure and financial planning currently underway by the Town of Kindersley.
