

Committee Lead

The Coleman Park Project is a community driven project spearheaded by a Working Group comprised of 13 neighbours. This parcel of property has laid undeveloped for more than 30 years.

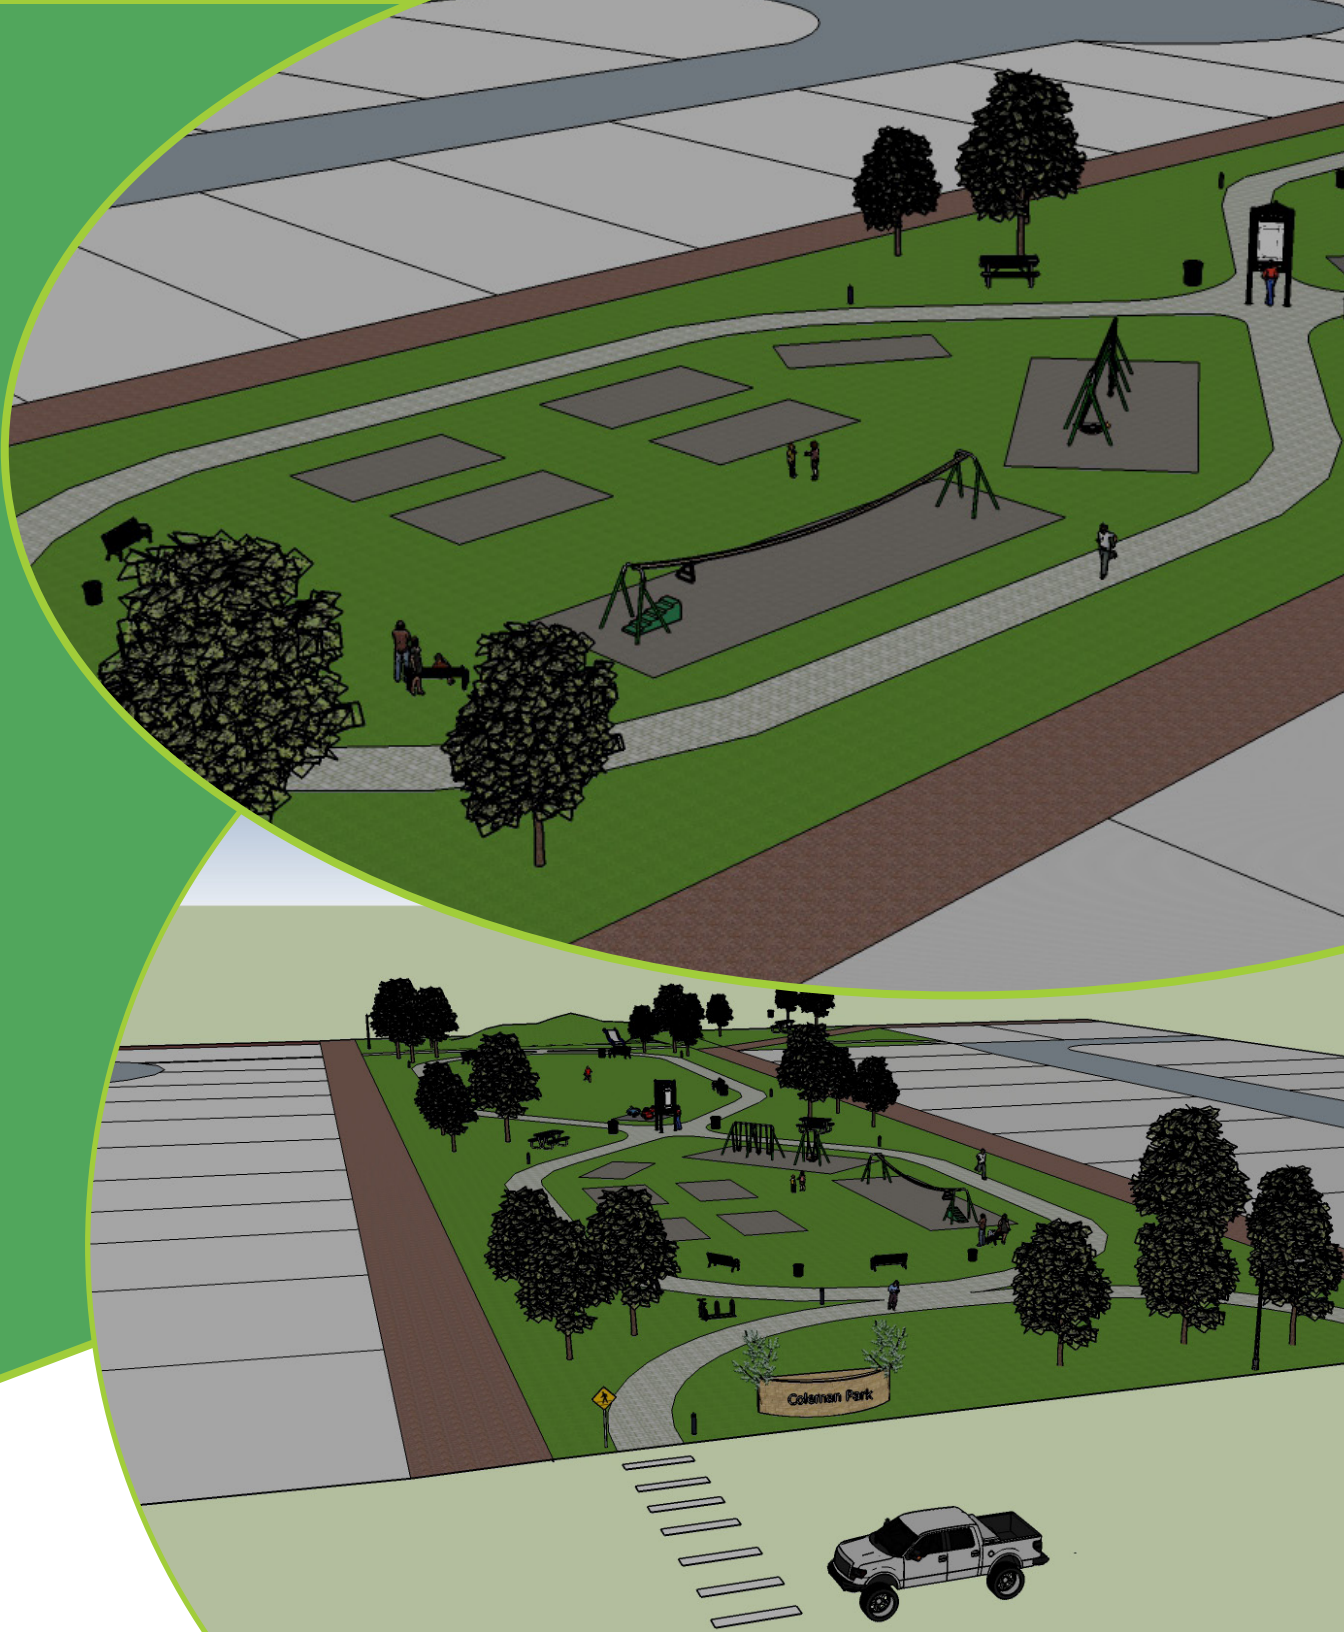

With the support of the Town of Kindersley and the Department of Community Services, the Working Groups have developed a Vision and Concept Plan for this Park.

We are excited to make this project a long awaited reality. Please take a moment to think about how you can join us.

Recognition of Contributions

We are very appreciative of financial contributions in the form of sponsorship and donations towards bringing the park concept to life.

Recognition of these contributions is important and permanent fixtures to display donor names will be installed onsite. In addition, large monetary donations, equipment purchases and services in-kind will be acknowledged in a variety of publications.

HOW I CAN HELP?

Please check-off a box

- Services-In-Kind
 - Equipment Labour
 - Expertise Other
(ie: soil, gravel, materials, etc)
- Donation of Locally Crafted Pieces
 - Benches Picnic Table
 - Garbage Bin Other
- Donation of Playground or Fitness Equipment
(Identified Below by the Committee)
 - Playground
