
PROCLAMATION

June is Recreation & Parks Month

Whereas, in Saskatchewan, we are fortunate to have a variety of recreation and parks systems providing countless recreational opportunities for residents and visitors from around the world; and

Whereas, recreation enhances quality of life, active living and lifelong learning, helps people live happier and longer, develops skills and positive self image in children and youth, develops creativity and builds healthy bodies and positive lifestyles; and

Whereas, recreation participation builds family unity and social capital, strengthens volunteer and community development, enhances social interaction, creates community pride and vitality, and promotes sensitivity and understanding to cultural diversity; and

Whereas, recreation, therapeutic recreation and leisure education are essential to the rehabilitation of individuals who have become ill or disabled, or disadvantaged, or who have demonstrated antisocial behavior; and

Whereas, the benefits provided by recreation and parks programs and services reduce healthcare and social service costs, serve to boost the economy, economic renewal and sustainability, enhance property values, attract new business, increase tourism and curb employee absenteeism; and

Whereas, our parks, open space and trails ensure ecological sustainability, provide space to enjoy nature, help maintain clean air and water, and preserve plant and animal wildlife; and

Whereas, all levels of government, the voluntary sector and private enterprise throughout the Province participate in the planning, development and operation of recreation and parks programs, services and facilities.

Now, Therefore be it Resolved, that the Saskatchewan Parks and Recreation Association (SPRA) does hereby proclaim that June, which witnesses the greening of Saskatchewan and serves as a significant gateway to family activities, has been designated as *June is Recreation & Parks Month* which will annually recognize and celebrate the benefits derived year round from quality public and private recreation and parks resources at the local, regional and provincial levels.

Therefore, The Town of Kindersley (name of municipality/ organization), in recognition of the benefits and values that recreation, parks and leisure services provide, do hereby designate the month of June as *June is Recreation & Parks Month*.
