

Culture on the Street – Preliminary Culture Plan Feedback

Participants were provided with post-it notes and pens to write their responses for the following three questions:

1. What Do You Think Is Special About Kindersley?
2. What Does the Word 'Culture' Mean to You?
3. What Do You Want Our Community to Be?

Participants wrote out their responses and attached them to a board under the respective question. The following are the submitted responses and comments (unedited).

What Do You Think is Special about Kindersley?

- All of it
- Kindersley is a shelter in a storm, a great place to shop, friendly, helpful peoples and a place to have fun
- Going downtown and saying hi to many people I know...home
- Michelle and her good work!
- I think Kindersley is special because of all the education kids get
- Neat town, friendly folks
- Family, friendly, small also has very kind people in it
- We are in the middle of everything so everyone passes through
- I love the schools in Kindersley and that the community is so caring
- I think that everything is Best about Kindersley
- The library and unique community acceptance of race and faith
- The Goose Festival
- It has oil everywhere
- Many young people
- Get rid of the crows
- I love the old water tower
- We have the freedom to vote and do what we want

What Does the Word 'Culture' Mean to You?

- Culture Means lots of different cultures of people living in the same area
- Culture is everyone – all races make up the culture here
- Culture means to me the lifestyle and way we live and grow.
- Would like to see arts promoted...celebrated!! Music, art, etc.
- The word culture to me means many different nationalities coming together under one community

What Do You Want our Community to Be?

- You need a HUGE GOOSE to promote your town
- To send more food (restaurants) to the hungry in larger cities and homeless
- How about an overpass for cars when the trains go by?

Culture on the Street – Preliminary Culture Plan Feedback

- Where is the leadership?
- An MLB team
- Our community to be more open to suggestions
- To have diverse recreational facilities
- I want our community to be a happy community where everyone participates in everything
- I want our community to grow
- Open your eyes to the facilities we do have
- Participate more
- Not every man/woman for themselves
- I want our community to be profitable
- I want a beautiful community – parks, recreational areas
- An open space for all culture, faiths.
- To have more resources such as those who do not drive who live out of town can participate in
- A community that provides services to the surrounding smaller towns

Kindersley Scattegories

Participants selected a letter out of a bag and were asked to write three words to describe or identify Kindersley. The following are the submitted responses (unedited).
