

Volunteers Needed!

to support YOUTH ENTREPRENEURS

POWER PLAY **YOUNG**
ENTREPRENEURS®

Calling ALL Entrepreneurs, we Need Your Support!

Are you an entrepreneur who can give your support to Youth Entrepreneurs?

Next week students from around the region are coming together to participate in a PowerPlay Innovation Day workshop. PowerPlay students will tap into the creativity, critical thinking and collaboration skills by participating in a variety of innovation challenges. They will also have the chance to learn from, be inspired, and connect with community members.

We need **YOU** as a volunteer to support students through this real life learning using entrepreneurial innovation to solve real life small business challenges.

To sign up as a Volunteer, please contact:
