I, _____ request Preventative Plumbing Subsidy under the Town of Kindersley Preventative Plumbing Subsidy Program and certify as to the following:

- I will obtain and submit a paid invoice from a licensed plumbing contractor for the disconnection of storm connections from the Town sanitary sewer system on my property, which may include sump pump, weeping tile system and storm drains or downspouts to be redirected to the outside of the property.
- I will agree to site visit by a representative of the Town of Kindersley, if required, for verification purposes
- I reside within the eligible areas, am connected to Town Sewer, and the property taxes for the property are up-to-date and paid in full.
- Sump pumps, weeping tiles and eavestrough downspouts located on the property are no longer connected to the municipal sanitary sewer system.
- I understand that I am not guaranteed a Preventative Plumbing Subsidy until I receive confirmation from the Town of Kindersley of my eligibility after receiving all required documentation.

I/We understand that:

- (a.) If I install a sump pit drainage system, I must ensure:
 - (i) My yard has a positive slope
 - (ii) I am responsible if collected water impacts other properties
- (b.) The Subsidy program allows for the disconnection of storm infrastructure form the Town’s sanitary sewer system. This includes sump pump pit, weeping tile systems, any storm drains or downspouts.
- (c.) Eligibility period for work completed is June 1, 2024 – October 31, 2024.

I/We understand and agree that the subsidy provided by the Town and that the work undertaken by the certified plumber may or may not prevent any future flooding.

I/We hereby agree(s) to indemnify and hold harmless the Town, its elected officials and employees from and against any and all liability, loss, costs, damages and expenses, (including legal fees), causes of action, claims, demands, lawsuits or their proceedings by whoever made, sustained, incurred, brought or prosecuted, in any way arising out of or in connection with the Subsidy Program or work done for which a subsidy is available or made.
